**EXPERIMENTAL RIDE-ALONG
CLASSIFICATION CHANGE FOR PERIODICALS**

DOCKET NO. MC2000-1

**NOTICE OF INTERVENTION OF NATIONAL NEWSPAPER ASSOCIATION
AS FULL PARTICIPANT**

Pursuant to 39 CFR Section 3001.20 of the Commission's Rules of Practice and Procedure and Commission order No. 1264, the National Newspaper Association hereby serves notice of its intent to participate in the above named case as a full participant.

The National Newspaper Association represents approximately 3,500 community newspapers whose businesses depend heavily upon the various services of the United States Postal Service. Its interests have traditionally been focused upon the Periodicals mail class, but the NNA members are users of all classes of mail. Many NNA members publish additional products as adjuncts to their daily or weekly newspapers that may benefit from the experimental classification.

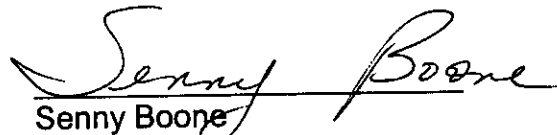

NNA supports the Postal Service's request for an experimental classification change, as well as the requests for expedition and waivers. NNA does not request a hearing, but if one is held, NNA will participate actively in support of the Postal Service's filing.

Service of pleadings may be made upon:
